PROPERTY DESCRIPTION

This cozy true ranch is ready and waiting for you. The home features 3 bedrooms, all with beautiful oak hardwood floors, a big eat in kitchen plus a large formal living room. The current owner has moved the laundry from the basement to one of the first floor bedrooms. This is great for someone who doesn't want stairs. However, the basement laundry hookups are still available. All the windows in the home are thermal pane and vinyl clad. The exterior is a combination of brick and low maintenance vinyl siding. Downstairs there are two finished rooms. These uses are endless. One would make a great rec room, the other a media room, office or great craft center. Use your imagination!
