## PROPERTY DESCRIPTION

This cute split entry is in great shape and is waiting for just the right family. The living room has a high vaulted ceiling and is completely open to the dining room. The kitchen is spacious with lots of well cared for cabinets. There is a big finished family room downstairs that is large enough to hold a big screen easily. There is a wonderful screened in porch leading out to a huge hand laid brick patio. The back yard is beautiful with lots of trees and flowering bushes. This house has had 2 contracts that fell thru--no fault of the home or the seller. So we have reduced this home to sell now. Don't pass this buy!
